

10969:

Handwritten text in a cursive script, likely a ledger or account book. The text is written in a dark ink on aged, yellowed paper. It contains several entries, some with dates and numerical values. The entries are arranged in a somewhat regular pattern, suggesting a list or a series of transactions.

Key entries include:

- 1890; 1671.
- 5/90; 292.
- 22/90.
- 15/90.

The script is dense and difficult to read in many places due to the cursive style and the condition of the paper. There are also some faint markings and lines that might be part of a table or grid.
